SELECT YOUR CONTENT AREA:

SPECIAL CONTENT AREA REQUIREMENTS:

YOU NEED TO KNOW

- As a Secondary/P-12 Education major you have two advisors. Your main advisor is in the College of Arts & Sciences - they guide you in planning your content courses and clear your advising hold if you have one. Your second advisor is in the COEHS Advising Center and guides you in planning for education requirements.
- Some courses in this major may also be used toward Foundation of Knowledge (general education) requirements.
- The Admission Semester, Professional Semester I, and Professional Semester II are "blocks". The classes in these groups must be taken together in the same semester. You may take other classes with these blocks if appropriate.
- Elective credit hours be necessary in order to earn the minimum of 120 credit hours required for graduation.
- Details on this checklist are subject to change including course rotation and availability, pre-requisites, and/or course credit hours. Maintain contact with your assigned advisor to make sure you remain informed of any such changes.
